Workplace	King Edward VII Hospital, London, W1G 6AA
Start Date	ASAP
Working Hours	Full time and part time opportunities available

Job Description

Opus is a state of the art performance medicine clinic located within the King Edward VII's Hospital in Marylebone, London. This is a unique opportunity to be part of a close knit sports medicine team, working closely with a Sports Medicine consultant and other physiotherapists. Opus has an in-house performance psychologist, osteopath, podiatrist and nutritionist, as well as well linked referral systems to orthopaedic teams and private GP's throughout London. This role is based out of King Edward VII hospital in Marylebone.

We are looking for a physiotherapist with:

- Greater than 3 years post graduate experience
- BSc in Physiotherapy or equivalent qualification
- Registered with the Health and Care Professions Council
- Ability to demonstrate evidence of further professional training and continual professional development reflecting your desire to develop as a practitioner
- Confident and engaging communicator
- Demonstrate excellent manual therapy and functional rehabilitation expertise

How to Apply

To apply, please send your CV with a covering letter to laura@opusbiological.com
